“ Sabrina, Nadia and Eve; I worked with Nick (Dad) for 2 1/2 years as the Y&T Analyst. He was "therapeutic" to me because he always made me laugh my a\$s off!! I always told him he needed his own cable show! He always said how his daughter was going to be on the LPGA, that in which he said he was going to be her Caddy; always so proud of her and his family. As I sit at my desk in tears over his passing, I will always remember him as such a good guy/father/person/and a GOOF!!!! I will light a candle at Mass this Sunday and ask God to give you all strength during these difficult time.

“ I grew up hanging with Nick when we visited my parents best friends next door to him. (Floyd and Esther Meyers) Nick was always so kind. His family was so sweet and his mom Lydia was so beautiful. Nick use to drive to my house in Glenwod and hang with me. We reconnected after yrs and he was still so kind and caring , he loved his wife and girls more than life. He was so proud of them. My heart hurts for you all. I am in AZ and can't get there. So I am saying goodbye in prayers. Love ya old friend. Prayers for your wife and girls. Sympathy to Cathy and Your dad and his wife. Till we see you again. Xo

“ *Sabrina, Nadia and Eve, We here at Y&T were all shocked and deeply saddened with Nicks passing. I hope you find comfort knowing that he touched everyone, with his sense of humor and his caring personality. Nick was a good leader with a bright future and will be dearly missed here at work.*

*On a more personal note. Sabrina, he spoke about what a great Mom you are, and how much his girls meant to him. He was one proud Papa, between music and golf he spoke frequently about all your accomplishments. He always told me, we would one day see the name Dobrzeniecki in the LPGA. We teased him a little by saying he wouldn't look good in a skirt, but we all knew who he was talking about. I know he'll be there cheering you both on in whatever you decide to do . Eve he may even give your ball a little nudge for you once in a while! Stay strong, because that's how he'd want it. God Speed "Nicky D" God Speed!

“ Nick and I were friends who loved to talk politics on FB never took it to far but had lots of fun jabbing at each other. He was always there for his girls and many times I would drive by and he would be in the yard play or practicing with the girls. My heart goes out to the family and many prayers, it's a long road but you will make it with the love of family and God.

“ I used to work for Nick. He was such a great person to know. He always made you laugh. We would sit in his office sometimes and he would talk about his girls all the time. He especially talked about Eve, because she golfed, and I was an avid golf person. So just talking with him you knew how much he loved his family. He will surely be missed here at ArcelorMittal. It was such a shock to learn of his passing. I had just talked with him about a week before, and like always he talked about his family.
