“ All three of my brothers headed to school. Shined up like new pennies ! Times were tuff back in the days but there was enough love in the family to cover all the things that were lacking. God bless each and every one of them . Love your sister Cheryl

“ I am devastated by the events that lead to the loss of our friend. One of the best memories was from 1985 when we were camping, boating, fishing and all the activities that go along with evening campfires.
I'm so sorry, Fran. My hope for you is healing strength and peace of mind.
Much love dear friend.

“ My uncle was one of the hardest-working and most loving men I've ever known. He taught me how to water ski, and my childhood would not be complete without the memories we made together during those endless summers on Lake Michigan. He was always working, always cleaning, and never complained — not once. I will miss him so terribly. Knowing he is now with Grandpa and Grandma brings me comfort and peace. I love you, Uncle Tootie.

“ *I am so sorry and saddened at Orells passing.
My prayers are for peace and comfort for his family.*

I visited Kentucky in September 2024 with my cousin, Martha Ann Depree.

We were going to the cemetery and we were so excited to find Orell at home. (Premium,Ky)

We introduced ourselves!

He is our first cousin but we had never met! He was so happy that we were there. We shared some history's of our families. We had the best time!

He escorted us to the family cemetery.

“ *Orell is my youngest brother and last brother to leave us to soon. My heart is broken with his passing and thats a understatement. He was such a hard worker and very meticulous at everything he touched. He would help anyone that needed it. He will be missed by so many especially me his baby sister . Love you Tootie I made sure you new that as I did all my family members gone before you. See you in our next life God Bless You and keep close . Love Cheryl*
