“ My name is Robbin, from Wisconsin. I worked with Pam. We never met in person but talked almost daily through work emails and team chats and I felt like I knew her. She was so very kind, sweet and such a wonderful person to have working with us. We all miss her so much already. Your family has our deepest sympathy.

“ Pam and I called each other "work besties". We spoke every day, collaborated, supported each other, tag-teamed, and shared our lives with each other. Her family was her everything. She was such a hard worker and always quick to help. I will miss her every day. Your family are in our thoughts and prayers.
