“ Aunt Pat was a great help to us when we were younger. She was very important in getting our family through her sister's difficulties. We have nothing but the best memories and are saddened by her passing.

“ *My family and I lived caddy corner across the street from Pat for 15 years 10 years ago. Currently my son lives with his family just across the street, & we have known her a very long time. Now our entire family is grieving her departure . She was a classy lady a pillar of the community and one of the original residents may she rest in peace 🙏🙏*
