“ *What a lovely lady! When we attended the NICE Church together, she and Don, with their smiling faces as they managed the tape ministry were always a joy. She let me borrow their bassinet when I had my youngest. She was a loving giving person. My sympathies and prayers to all the family.*

I will always remember your mom and dad together. They were the finest example of what a couple should be. I'm so sorry that she had to leave here but yet so happy that she's with Don, Maryann and Jesus. Cathy, you were an extraordinary daughter to your mother and you attended to her every need that was humanly possible. You should be proud of yourself, I know that your mother is.

Cathy, your mom was one of the sweetest ladies I have ever met. I can remember many times she reached out to me and my family. I remember laughing a lot together. Always a smile and words of encouragement.
