“ *Pat was such a dear friend. The first time my granddaughter met her, I was holding her in my arms. Pat smiled at her, and that was all it took - my granddaughter held out her arms and practically jumped into Pat's! They walked around together and became fast friends. I will always remember Pat and her wonderful smile, her positive and loving ways, her sense of humor and her wit and wisdom. She was one of the smartest people I ever met - she understood and accepted people for who they are and loved them all the same. Her faith was an example to me of how to live with a generous and kind spirit. My prayers are with you all right now. I know Pat is home with Jesus. May God comfort you all during your time of loss.*
