“ *Serving with her was very special to me. She had a great sense of humor that was warming in the worse conditions. She cannot be replaced but can be remembered by all that knew her as someone with a big heart, warm smile and a super Legion member.*

“ *Catherine and I were most happy to have Pat and Martin pay us a visit here in the North Carolina mountains few years ago. For them to drive all that way to be with us was a great honor for us. We certainly enjoyed being together with Pat and Martin. Martin sharing Pat with us will always be remembered very fondly. Martin and I were teamed together back in the mid 1970's in the 4th Infantry Division. He was and is one of the best and brightest minds. I have been privileged to have Pat and Martin in my life. God Bless, Love, Colonel Joe Blair III US Army Retired.*
