“ Patricia may no longer be here physically, but know that she will always be with you in spirit. She lives within you, your thoughts, memories, family and especially in your heart. By sharing stories of her life she will continue to live on through you. Sharing those fond memories of Patricia will slowly help heal the hole you are feeling in your hearts today.

Please know that the Mayhew family is in our thoughts and prayers during your time of sorrow.

Your neighbor,  
Mary Bolda and Family
