*Pat was an active member at Winamac First United Methodist Church and about 5 years ago, a new ministry was begun - SLEEPING PADS FOR THE HOMELESS. Pat helped in this ministry by tying the 2" strips of cut plastic shopping bags together and then rolling the tied strips into a ball that was then used to crochet a sleeping pad. She loved sharing with the other ladies that gathered to help with this ministry and even when COVID hit and also about the time Pat's health began to falter, she still worked at tying and rolling and helping someone else. We had lots of other special memories too and I am grateful to have know this special Sister in Christ and her son Jim too.*
