“ I love Pat and John. One of my loving memories of Pat was when I was doing a special song at church she told me I should sing *The Broken Ones* by the Tallies. I did and it was such a beautiful song. I hope I pleased her with my rendition. Also when I first started going to church in 2005 John and Pat opened up their home and property to all of us and gave us such a great night of hay rides (John as our driver) bonfire with hotdogs S'mores. I am so thankful to have known Pat . I'll see her again, until then Kiss Jesus for me!

“ I will always remember her smile and inspiration for me and others as a wonderful and caring person. I shared many personal things with my dear friend and she prayed for all of them with me and on her own. The last time I saw her was last Sunday June 11th. We hugged as we often did and I said to her "I love you Pat" Little did I know it would be our last hug. I'm so glad we did. I know she is with my Jesus and i will see her again. I am proud to have known this wonderful woman much less be her friend and sister in Christ. I will miss you my dear friend
