“ *Uncle Patrick was a great Father, Grandfather and Uncle. He embodied the phrase "family man". He was proud of his Irish heritage and family. He was sarcastic, witty and always real. He came to Florida a lot and all the family events. He was a good man who will be greatly missed my his immediate & extended family. We love you Uncle Patrick.*

“ *More than any of the other McBride aunts and uncles, Uncle Pat reminded me of Grandpa (Robert) McBride. They had the same big laugh and the same kind heart. Although I didn't get to see him often, he was a fixture from my early childhood memories until now, a consistent laughing and loving presence. The family will not be the same without him. Love to every one of you!*
