“ We all have beautiful memories of Patsy. From her beautiful smile to her always kind heart. We enjoyed sitting with Patsy and loved talking and reminiscing of things of the past as well as of what was yet to come. She was such a sweet soul and always would say thank you for even the smallest of things. Especially if you did anything for her. Even though we did not get to see her as often as we would have liked, we all loved her very much. May you Rest In Peace dear Patsy and may your family take comfort in knowing that one day they will see you again. We love you.

Love,

“ *Our beautiful aunt Patsy, with her enigmatic smile. Exuding both warmth and dignity, she was always interested in our well-being. She was blessed with a loving daughter and others who cared for her unfailingly. She now joins so many from the Lustgarten clan on the other side -- where we look forward to seeing them all again someday. - Nieces Jan and Gail from Texas*

“ We will miss our beautiful Aunt Patsy. She always had a word of encouragement for us young nieces and nephews, and her quiet dignity in the face of life’s challenges served as a wonderful example to us as well.
