“ God bless you all! Patty and her 2 girls have been in my prayers since the beginning and especially now you are all in my thoughts. Patty always made me feel special and like I was her best friend. I'll bet she did that with everyone. I'm so sorry she is gone but she left her mark. She changed the world around her and made it better. “ Patty, your humor, laughter, and smile will be missed by all. Not a fall will pass without us remembering the many visits and of the all nighter around the fire.

We will miss you,
