“ *I had the pleasure of coaching our son's (Paul and Stephan) little league with Paul. Paul and I were competitive, as was our team. The players and I all loved and respected Coach Paul. Of all the years I have coached, that year will always be remembered as the best ever; something that a movie could be made of. Our team may not have been the best athletes (although they were awesome), but they were filled with heart, a love for the game, and a desire to put in the work to become the best. Paul was a big part of that enduring friendship that brought the players together as a team. A friendship that has lasted more than a quarter of a decade. Thank you, Paul, for being a great person, friend and mentor to so many. You will be missed.*

“ *I was shocked to learned that Paul had died. I wasn't aware of his illness. Paul was always one of my favorite guys at the Dyer DPW. He always, ALWAYS, called me smiley 😊 That was a great compliment and I relished hearing him say it. My sincerest condolences to you, Karen, and all of your family.*

“ *I could not have asked for a better friend than Paul Feges. He was like a brother to me and I will forever cherish the time we had together. I will miss him greatly but I know we will meet again as life is eternal. Until we eat that homemade pizza once again, I will be missing you my dear friend.*

“ *Paul, Heather and family. I'm shocked and saddened to hear of the passing of Coach Feges. I just recently thought of him as I was looking at the signed team ball he so thoughtfully presented to me. A fine man who was respected by his players and who enjoyed working with them. I think of him often, and my thoughts are with you.*
