“ Pennie I really don't have the words to describe how I feel right now. I miss our daily chats already , but damn do I have some of the greatest memories of the crazy stuff we used to do. Santa Claus has to be one of the most epic trips we've ever taken. Covered bridge is another great one finding that hole in the wall bar with the best steak sandwiches and potatoes we've ever tasted. Or our camping trips minus the one where you hurt yourself but it's still a memory. Lake Shaffer, uncle Johns flea Marjet, Ship Shewanna, Toto and one of the best that Coca Cola shop we found and the lady doubting you'd get all the stuff I bought in your mustang haha you proved her wrong lol. I have so many memories so so many. I'm going to miss you so much , life is so unfair sometimes. I hate you died alone that hurts. Don't worry Missy is with a friend she will be taken care of I promise. The cat Jim didn't want haha she slept with him the first day I got her for you. I love you Spenna Penna and I will miss you forever. Love you , your baby sister Gina.
