“ *Pete is a man not a soul could forget! He was a brother to my dad and I will always remember him as Uncle Pete. He never complained when I would call the bar countless times for my dad to find out when he would be coming home. (Before cell phones. Lol) Whenever I would come in and hangout with him, Uncle Dave and my dad, Uncle Pete always gave me a bag of chips to pop open in his truck, and a bag of cashews with a can of pop to snack on while I played pool. I miss the fish fries in the garage and hanging out on the deck with Deanna, Cody, Uncle Pete, and Uncle Dave. We had a lot of good times there that I will never forget. I remember the one fry on the fourth of July, someone stole my bike from the side of the garage and almost everyone there started searching for who took it, ready to make them regret it. Lol I could go on and on. Pete was an amazing soul and will be missed greatly by so many people. Sending heartfelt condolences to his entire family and friends.*

“ I met Pete thru my Uncle Joe Hegyi. Though its been many, many years ago we met, I came to know him best when I would visit his bar. He had a sense a humor that would bring tears to your eyes because you were laughing so much at his delivery. Whether I was in town from Arizona or he was visiting for Spring Training with Cheryl here in Arizona- we made sure to get together. Pete was a happy-go-lucky, generous and loving man and I am truly blessed to have known him and been a part of his life. He will be greatly missed but remembered with love.
