So sorry for your loss. Just drove under an overpass near Gas City, Indiana on I-469, where there was a beautiful site of people with flags. In researching online I see that it is for your loved one. Like the escort guard I wish to express my greatest respect and thankfulness for his service in Vietnam and his many years in the fire service. It takes a very special person to serve in both of those capacities to protect the rest of us. Rest In Peace Good and Faithful Servant! May you family and friends be surrounded with peace, comfort and joyful memories. Thank you for making a difference with your life!!
