“ We were very blessed to have Phyllis in our lives and have always considered her to be part of our family. She will be remembered as an important part of our family business, (Elinor's/Greener's) from its opening in 1954 until its close in 2008.

Phyllis had a great personality and was a lot of fun to be with. We were personally inspired by her willingness to give back to her community with countless hours of volunteer services. She truly had an impact and made Hobart a better place to live.

She will be greatly missed by all who knew her and we were honored to have her in our lives.
