“ *Such a sweetie and such great laughs, we were great buddies. We had great times camping and at Dougy and Kathy's house. You and Connie were two of my favorite people. I can only imagine what a sweet dad and granddad you made, love you Boodles.*

“ *Boodle you were the best friend anyone could hope to have. You were so easy going and extra polite to everyone. You would help anyone, anyway that you could. We will truly miss you. We love you Boodle, forever. Beaver, Kathy and Gerry*

“ Rest in peace sweet brother, you will be missed. My fondest memories of you are when we were kids, you always helped me tie my shoe laces, and taught me how to tell time. You always had such a soft spot in your heart for any animal, I remember you brought home a turtle that mom found in the bath tub, a chicken, a garden snake that disappeared in the house and we never found it, and you always wanted to bring home every stray dog you found roaming around in the neighborhood. Thank you for watching our dog Charlie when we would go on vacations, I would tell Charlie let's go see uncle Boodle and he would get so excited! When ever I would see you the first thing you would ask me is how am I doing, and how's Bill and Lillian doing and of course you would always ask about O'Charlie boy, as you called him. As I look back and take a walk down memory lane I realize just how fast it went by to have you as a big brother, and if I only knew that when I hugged you good bye and told you I love you on Christmas eve that, that was going to be the last time I would see you, I would have hugged you a lot tighter and lot longer. Life will never be the same without you. Love your sister, Kim
