“ I first met Ralph when joining Central Ops in the integration of RCA into Sperry Unvac.

As a newbie to a different company and organization my transition was made much smoother by Ralph's accessibility. He provided often needed answers, guidance and expectations of the management of both the Company and Operation. He was my early days crutch and an my ongoing source of help and friendship.

“ My memories about Ralph and his family go back many years, to even before Tina was born-the Carniello Family were the best neighbors on the block. Ralph was a quiet man with a mission.

“ Ralph was great friend and brother-in-law to George and I. We will always cherish so many fun times we had together. He was a very kind and respectful husband to my sister. He touched many lives, especially his family and extended family. Holidays and other family gatherings were very important to him because family meant so much. We will always hold him in our hearts. Rest in peace Ralph. Love, George and Linda Fulghum
