Bub's loss will always be felt forever to us. Bud and Dolly have been neighbors since can remember from building a new home and good neighbors since 1975. Another close neighbor was Bruce Olsen who the three (Bud, Bruce and Steve) would gather on Bud's front porch and down a few beers usually after all of mowed our lawns with our tractors. Dolly if you need any help call us anytime and if we can, we will be there for you. The red candle is to represent that all three of our tractors are "RED".
