“ I graduated from Lowell High in 1974. Throughout the years, when asked who was my favorite teacher I never hesitated: Mr Deweese. He brought politics and history to us in a fresh and unique way. How many can say they participated in a school wide mock Democratic Election or through a class going through The Watergate Tapes Trial. It was Mr Deweese who sparked all of us! Bless you all and know he made a difference in so many lives.

*I am saddened to learn of Randy's passing. I taught at LHS for 21 years and only heard positive comments about Randy. I found him to be earnest, hardworking and kind. I am very sorry for your loss.

Randy and I graduated from Purdue U. together. We were in the Theta Chi Fraternity together and shared many a good time. My condolences go out to his family.
