Dear Nancy
I just came across Rays obituary!! I am so saddened to hear about this. Even though we have lost touch I think about you and Ray and the hours I spent at your house studying for our nursing degrees. I would not have made it without you and my memories include Ray vacuuming around us as we sat on your living room floor. And the wonderful cookies and treats he made for us.
I am truly saddened hearing of his passing. What kind of accident was it - if you don't telling me. Plz feel free to text or call me.
