“ Doc Ray one of the best friends someone could have. His big warm smile was always there to see, unless he was losing at card. So many memories at the cabin, playing cards and Bears games. My condolences to his family. He will be missed, but never forgotten. He's now at peace and I know he has friends there that will share their love and ours with him.

You're friend Ed ❤️

“ My sincere condolences to the family of Dr. Bucar. I had the opportunity to work with Dr. B as I called him when he contracted with the State of Indiana to assist with evaluation's of the population our team served. The laughter and stories he shared while attending the Notre Dame games and his "jog" when he should have ran harder. Much appreciation and heartfelt thanks for his support and service. It is well with his soul as he rest peacefully in HIS arms.
