“ Ray will always be remembered for his huge enthusiastic spirit for Life. He was always the "happy" one in the group, with much to say about anything and everything. He will certainly be missed. God has another plan for Ray though, for God always takes the good ones, especially the young. I love you Raymond Scott forever and a Day!!! My cousin Tammy will always remember you, for you were her true soul mate! With all my love, Linda Polk

“ Ray Dude.

So many miles - walked, hitched, cruised, ridden, laughed and partied down.

You first led the way, and I have always continued in that way.

“ Ray was a great man and I am so lucky to have known him...Just wish we had a chance to have done more together. God always seem to take the good ones but there must have been a reason maybe to have spared you from more suffering from something no one knew about... We will all be together again someday. My heart breaks for the family who loved Ray so much may god help ease your pain. Goodbye my friend!!!
