“ *Father Jim was the ONLY one of my classmates at North American College who came all the way to Saint Cloud, Minnesota, to be with me on the day of my ordination, and stayed for my first Holy Mass the next day. He was a wonderful classmate during our years in Rome, and I am touched by all the comments already made, showing that he continued to be the same wonderful man all along - as he will be now, in eternity.*

“ I remember some of the wonderful stories that you told us about during mass of the Christmas one of the little boy doing a play about the Christ child who said that the child name was JC Penny because his mother had written down on the inside of his belt the answers. And everyone laughed. And I want to thank you for being the best priest.

“ I am saddened by the news of Fr Meade's death. He will be remembered in my prayers and Masses. One of my memories from our days at St Meinrad seminary was his musical abilities. His nickname was E. Powers Meade! May God grant his priest James a share in the Divine Liturgy of Heaven.

“ Fr Meade gave so much of himself to church and our family. He married my daughter to her husband and my son to his wife. Those two unions gave Fr Meade five of my six grandchildren to baptize. My son-in-law wasn't Catholic and wanted to be able to take communion with my daughter at their wedding. Fr Meade took his day off each week to instruct Bob so he could be a Catholic for the wedding. I needed someone more than ever in 2008 when my loss was unexpected and devastating. Fr Meade was there for my journey. My five grandchildren still talk about how much they miss Father Meade and retell the stories of their time with Fr Meade. God bless faithful servant! You will be missed.

“ To the Family, Friends, Parishioners, and Brother Priests. Fr. Meade was a gifted and unique individual. He was extremely intelligent and interested in many subjects. No one loved music more. The duet we performed will always be something I will never forget. Although his passing was a huge loss for the Catholic Community, he is now exactly where he longed to be. May he truly Rest In Peace. Lux aeterna, Father.

Father baptized my daughters. I will never forget his presence in those important times. As Father Teles before him, the parishioners of SSPP have been blessed with holy and pious men.

I've always enjoyed Fr. Meads' masses at St Joan of Arc Parish, Merrillville. He was so full of life and such an inspiration to all who knew him. His homilies were so powerful and THAT VOICE will never be forgotten. Rest in peace Father. Thank you God for sharing him with us, even if it was just a short time. RIP.

To his family - treasure the memories.

Fr. Meade was a priest in residence and choir director at St. John the Evangelist when I worked in the parish office. While he was studying at IU for his civil law degree, I asked him to keep an eye on my daughter. His favorite phrase then was, "It seems to me that . . ." He will be missed.
