Reveille Angelique "Angel" Vittetoe was born in Valparaiso, Indiana on November 27, 2009, and passed away November 09, 2023.

She was a brilliant student in the Portage Township School District. Angel formerly attended Aylesworth Elementary School and was currently a student at Fegely Middle School. She excelled at all subjects but especially math. Angel was taking advance placement mathematics at Portage High School. She was a member of the Junior Honor Society and Student Council at Fegely.

Reveille loved the arts! She was a talented artist and musician even at her young age. Angel loved music, singing, participating in choir, art, painting, crafts, especially crochet. Angel had won several awards for art with the Boys and Girls Club Portage and had items in the Porter County Arts-A-Budding exhibit at Valparaiso University. She enjoyed spending time in the art room at the Boys and Girls Club Portage and working with her mentor Mr. Don. Angel loved to sing and perform. She was in Circle the State, qualified for All State Choir, and performed a solo piece for Solo and Ensemble. Angel also participated in Junior Chorales show choir. She loved an array of music, especially from her favorite movies and musicals. Angel learned to play guitar from her grandpa and proudly played a special song for him. He recalled them sitting together at church recently and she had angel wing barrettes in her hair. Angel was a shining light who wanted everyone to feel kindness. In 2nd grade she made origami hearts for everyone in her class. Reveille loved to

crochet small gifts for her friends, family, and teachers. She had recently crocheted little pumpkins for several teachers.

Reveille is preceded in death by her grandmother-Janet Peters; father-Lester Vittetoe II.
