“ *Rich made my job as Operations Manager at Jellystone Park so much easier when he was head of security and had a great staff of volunteers. Late at night, on patrol, I felt safe knowing he was out there, too. Many conversations, many laughs, many more memories. Rest In Peace.*

RIP my beautiful friend, you will be truly missed. We have become family and will always be family. Dance in the skies and please watch over all of us. Have a beer with Bruce and I know he is talking your ear off about Yogi. You will forever be in our hearts and prayers. Love you and will miss you. ❤️

“ *I will always remember Richard and Gene coming to my trailer to construct a back staircase on the deck to make it easier for Mom to get in. He was always going out of his way to help someone else. I will always fondly remember this giant of a human being.*
