“ *My memories of Uncle Richard start at a young age. He would be making jokes and make us laugh all the time at holiday get togethers. One day we were talking about brushing teeth and he mentioned how he brushed his tongue too..at the time (i was young) i thought it was funny. But guess what, every time i brush my tongue while i do my teeth i remember that moment. I wish i would have told him that. I love you Uncle Richard.. say hi to my mom..grandma, Diane and all that has gone before us. REST IN PARADISE 🙏*

“ *Hello Phyllis,, my condolences to you on the loss of Richard..... You may not remember me,, but, Rich and me would talk on our C.B. radios back in the early 1970's. I recall around 1976..... He called himself "Nova",, and his mom was Romanian Gypsie.... I would visit Rich when he live here in Glen Park.... He drove a Chevy Vega wagon, (yellow), then his 1977 Chevy Impala (green)..... After 1978 I lost touch with Rich,,,,,don't know what ever happened to him?..... Again, so sorry for his passing,, wish I could have met up with him,, he was very much an inspiration to me.....

“ I have so many memories of Uncle Richard, especially the younger years at holidays, birthdays, and family get togethers. He was such a kind person but most of all I remember his incredible sense of humor and his contagious laugh. I am going to miss him.

“ I never had the pleasure of meeting Richard Foreman, but I have had the opportunity of getting to know his son Phil. And knowing the kind of person his son is, I can only imagine what an incredible father, role model, and man Richard must have been during his life. May he rest in peace.
