“ *I used to clean his room as a housekeeper. He always made me smile and used to make us 3D designs with that pen. He was a very creative and intelligent man. He used to call me his "little one" . He'll always be in my heart. I pray to him every night to watch over me. I loved him very much. God gained another beautiful angel .*

“ Richard was a great cousin who will be missed dearly
His warm personality and charm always lit up the room
He was a dedicated family man even tracing way back into his heritage, but he made everyone feel like family because he was just that loving
Our hearts go out to Cheryl, Erica, Ryan, Murphy, and all the grandkids because I know it hurts so deeply
We love you all, and we loved Richard so much
What a great man, words can't say enough

Richard was a great father and provider for his family. I see his sense of humour in his daughter Erica and son Ryan. His wife Cheryl was the love of his life.
We will miss you Bro

Some people come into our lives and quickly go. Some stay for a while, leave footprints on our hearts, and we are never, ever the same.
