“ I would like to express my sincere sympathy to Rich's family especially his loving sisters. He was a very thoughtful, generous, and caring person who loved life. He will truly be missed by everyone who knew him. Rest in peace, my Seattle Seahawks fan!!

“ For Rich's family, I offer my sincere sympathy. I know life is short, we discussed this very thing on Sunday and we knew how quickly it could change. We both suffered losses before and knew we were moving quickly, but knew it was genuine and real. I miss him terribly as I'm sure you will. He told me of his whole life, his family, his loves, his dreams and wishes. He was a gentle man, so kind, and loving. I am thankful he had you all in his life to love him. Words are never enough, but I know he was happy. To Rich, I love you babe.
