“ I have worked with Rick at GATX for over 30 years and and proud to say he was a friend. Just had lunch with Rick and three other of our co worker a little over a week ago and all he talked about his retirement, hunting and wife and kids and grandkids. He sounded happy at this time in his life. Will miss him very much with that easy smile and his special way he laughed. Will always remember him .

“ So very sorry to hear about Ricks passing. I worked with him at GATX EC & he was a true gentleman. Always with a smile & usually a silly laugh with his stories. I was just thinking about him a few days ago when I was working outside moving my shepherds hook. He had made a couple shepherd hooks for someone & put it in his yard without telling him about it. The following morning he came in laughing away telling us the guy ran right into the hooks, it really cracked him up. He had a good soul & the world is a sadder place without him..My Condolences
