“ My name is Rosa Mazzocco and I have been neighbors to Rich and Mary for over 20 years on Evergreen ave. I and my entire family were saddened by his passing.

My oldest daughter Becca remembers his kindness as she did not know him well but he always had a "wave" when he saw her. My middle daughter Sarah has two children ages 10 and 7 who have known Rich all their young lives. Lynlee and Landon loved running down to Rich and Mary's to see what treats were in store for them that day as there was always something tasty. Sarah especially remembers when they brought a flag to Rich on the 4th of July, "he had the biggest smile!" My son David remembers bringing the children down to visit at Christmas and the beautiful Christmas tree that he had lovingly put up with all the moving ornaments! Lynlee, Landon and David loved it so much they had to bring me down to also enjoy this marvel. Rich was so proud! I personally remember Rich's beaming smile when he and Mary spoke about their long love story. They were truly a match made in heaven.

He was truly a kind man who led a life well lived. He will be missed by all.

Rest In Peace Rich your job here on earth is completed.
