“ A while ago went over to Jack and Tina's, pulled up in my truck and had my proud local 150 sticker on my back widow , and here comes Bob saying "your 150 too" yes sir , he showed me his local 150 ring he wore so proudly and we stood by my truck talking about 150 stuff for a good hour or two. Any time I hear Bob, first thing that come to mind was he always had a cigarette and always under the hood of a vehicle. You will be missed man . See you on the other side
