“ May the air carry your spirit gently.
May the fire release your soul.
May the water cleanse you and wash you clean of pain and sorrow
and suffering.
May the earth receive you.
May the wheel turn again and bring you to rebirth.

You have gone before us, waiting to guide us when it is our turn.
Thank you.##imported-begin##Lisa Ledger##imported-end##

Take him and cut him out in little stars,
And he will make the face of Heaven so fine
That all the world will be in love with night
And pay no worship to the garish sun.\”##imported-begin##Joyce

“ Robb...

Although i only met you once, you seemed to be the cool guy that everyone always talked about with a smile. My husband (jake) talked and still talks very highly of you. May angels lead you home safely until we see you once again.
