“ *I am truly saddened by the loss of a dear friend. There are so many memories and stories growing up of Bob (Headman) that come to mind and each one of them brings a smile to my face; he was like the fifth child in our family. My thoughts, prayers and sincerest sympathy to the Devyak family. . .he was special.*

“ *Bob was like a brother to me during our teenage years. The Devyak family was my second family. Playing baseball in the summer, hunting in the fall, and hockey during the winter was how we embraced the changing seasons. The summer of 1968 still holds a special place in my heart when I shared that summer with Bob and other boyhood friends as a baseball player for the East Glen Park All-Stars playing in the Senior Little League World Series. So many great memories over the years...thank you Bob for your friendship and thank you to the Devyak family for inviting me in to your home as one of your own. May God bless you all.*

“ Although older than me, Bob and I spent many days with my cousin Mike traveling to play hockey at Notre Dame. And, of course, I remember him for all the years of playing baseball with my brothers at East Glen Park. Smiling as I type this and thinking of you Bob...GOD's blessings...RIP. My condolences to family, loved ones and friends.
