“ I worked with Bob at Roseland Community Hospital and will truly miss him. He was a great man and friend. He was such a talented artist. He never met a stranger and would help anyone in need. Whenever he came back, he made sure to stop by my office. He was my Facebook friend and I would make sure to look on his page around the holidays as he had the best decorated house in the world. He took pride in whatever he did.

*I am praying for the family in this great loss. Love and miss you Bob*
