“ 44 years ago I remember our fishing trip together. It brings back great memories even though I threw out a cast across the lake that hit you in the head with a sharp hook. I'm sure your still laughing ...who knew I could cast that far.

“ *Bob was my dear childhood friend. I have so many fun memories of him that bring a smile to my face. He was a wonderful, kindhearted person who would always be there for a friend. In all the years I have known him he was loved by all. That was just who he was. You will be missed by so many, Bob. God be with you.*
