“ Ken Walker forwarded the Hammond Times obituary for Bob. Sorry to hear the news. Bob and Marge both were a big influence in my young life, and think of them both very often and the many life lessons I learned from them. They probably did not realize that I was really paying attention to what they told me, taught me and the wonderful role model they were in my life. I have many wonderful memories of growing up in South Hammond next door to the Wilson family. As I look back on it now, there were so many young families in the same neighborhood, it seemed like one big extended family. Even though I have lived mostly in Massachusetts for over 30 years, I still think of myself as being from that neighborhood in South Hammond. Bob Wilson helped me get my first good paying job at Inland Steel, which helped pay for my college education. I miss all of the Wilson family and want to share my condolence with you at this time, and want you to know you are in my prayers. God bless you all. Best wishes, Bud Walker###imported-begin##Robert Bud Walker Jr###imported-end##
