“ Dear Ferby:

I am so sorry to hear about Bob's passing. As a young boy, I remember Bob being one of the nicest people I had ever met. He was so friendly, always laughing and joking with me and my friends in the neighborhood. You folks were the nicest neighbors anyone could ask for. Bob had such a positive attitude and it was contagious. Bob also had a great story telling ability, and even after a hard day's work in the kitchen, he would still always take the time to talk, listen, laugh and leave you smiling. Bob also made the best cheesecake and would always bring some home to share. Bob was a true gentleman and pioneer in so many ways. I have a 3 year old son now, and I cannot wait to one day tell him about Bob, and how special a person he was.

Ferby, my thoughts and prayers are with you and your family.

Love and peace,

Mark R. Brennan
