“ *My Heart hurts with the loss of my Memere. Some of my best childhood memories are with my grandparents and will always bring a smile to my face when I think of them. The family get togethers we shared, the occasional camping trip as a child and just sitting on the swing talking about what ever was on my mind she was always there to listen and will be in my heart forever. I believe the world lost an angel Sunday and the emptiness will be shared by many. Memere will never be forgotten by those fortunate enough to have shared a part of her life. Iâ€™m happy I was one of them.*
