“ I would like to extend my sincere condolences to Bob's Wife, Children and extended family. I was fortunate enough to be friends with Bob throughout high school and afterward. He was such a special person and his sense of humor and love of life always made those he spoke to or hung out with, feel special and happier because they were with him. I hate that he suffered with this awful disease but know that he is in the arms of God and with those he loved who went before him. God bless all of you and help you keep the happy memories alive forever.

“ I was so shocked and saddened to learn that Bobby had passed away from ALS. Have known Bobby from grade school all the way through high school. It is hard to think of someone so full of life to be stricken with such an awful disease. My prayers go to Jamie and his family. One happy thought is I can see Mark Ristich, Jeff Mauger and Bobby tossing that football all over the place except with young and healthy bodies and just hanging together once again. RIP my fellow classmates, we all shall meet onnce again.

“ Hello Jamie and Adam...my thoughts and prayers are with you both. Although I really don't know you, I feel that I have known you for years...I met Bob when he use to come to 81ST Street. Adam is the same age as my youngest daughter, she was the colorguard Captian when Adam was the Drum Major, she and Adam both bought homes about the same time...many common threads. Bob was so Proud of his wife and son...we have had many conversations of both, and you could just see the pride in his eyes when he spoke of his family. I agree with everyone else that Bob was certainly a real \"Treasure\" and will be sorely missed by all. My prayer is that God comforts your family in the days and weeks to follow.
