“ So many things to say about Bobby Stiglich. Bobby was a Renaissance Man with a love for life. My cousin was a man with many talents and areas of knowledge that spanned music, family, food, culture, travel, politics, business, and real estate. No words can describe Bobby better than what has already been said, Bobby was a very special person who will be deeply missed.

Bobby was so into music (he loved Jim Morrison and the Doors) and many bands. He was listening to Peter Gabriel and making gourmet hot dogs at Let's Dog It! I remember going to a Cubs game in the 80's with Bobby and Mark and he had this really fast black BMW with a Blaupunkt Stereo. We were zipping around the north side of Chicago like he owned the place! I thought my older cousin was just so cool!!!

Many great times, many great memories. Our love and condolences to Jeanette, Brandon, and the family during this difficult time. Bobby is looking down at all of us with a shot of tequila and that wonderful smile. Truly one of a kind. Say hello to STIG and Stephanie for all of us.

“ Dear Family of Robert, I am so very sorry to read of the death of your dear Robert. Although I did not have the privilege of knowing him personally, it was obvious from his obituary that he was dearly loved. May "the God of all comfort" (2 Corinthians 1:3&4) provide you comfort during this very difficult time. One way he does this is by the promise of the resurrection at John 5:28&29. Yes, a time when we can be reunited with our loved ones lost to death. May you find peace in the Bible's promises. Once again my deepest condolences.

“ He will be missed in the Civil Sheriff's Department. We looked forward to his daily national political updates. We always looked forward to seeing what fashion statement he would make with his choice of shirts. They were great! Such a kind and caring person.

“ I met Robert "Bobby" Stiglich when I transferred to Franklin Elementary School in East Chicago as a first grader. He and I quickly became friends. He will never be forgotten. Part of what made growing up in EC so special that no matter our racial diversity, it didnt matter because Black, White, Hispanic, Asian or otherwise, Bobby was a friend to all and vice versa. He will be missed
