“ *To Rob, David, Renee and Joseph
We send our thoughts, prayers and love and know that a star in
heaven burns brighter because of your dad. He was always friend to
all and stranger to none and we will always remember him that way.
We feel so blessed that we had the opportunity to call him and your
mom neighbors and watch your family grow. Heaven is a little richer
today because it has a couple of real saint with your mom and dad
there today. God Bless you folks and hold you in the palm of His
hand.*
