“ My deepest sympathy to all of you...Especially Jack, Mitzi, Spencer & Griffin, and also Lavon, a dear friend of my late. wife Sherry, and I from the middle 50's. It is never easy to see your loved ones go, but he will be in heaven with loved ones who preceded him in death.

“ My sincerest sympathy and deepest condolences go out to the entire Tipold family, immediate and extended. I was so sorry and saddened to hear of my good friend's, Bob, passing. Bob and I go back to the Bethlehem Steel, Burns Harbor days. We were both crane operators at the Pickle Line in the "Sheet and Tin Mill." There are so many memories. We were "trouble!" We practically "took over" that area! Many of the originals can attest to that. Bob was there before me. "Tip," as he was known, took me under his wing after I transferred to the department. He taught me the "Pickle Line Creed!" I will never forget those days. "Tip" will definitely be missed. Rest In Peace, "TIP!"

“ Jack and Rob, There are no words that can express the deepest sympathy Janet and I have for you and your families during this sad time. Uncle Bob was a good man, with a huge heart and was always quick with a joke and smile (along with his little chuckle).... He will be missed, but take solace in knowing that he is now with Aunt Sandie and resting without pain. He no longer suffers from illness and can spend eternity with the one he's always loved. Know that over time, these dark days and nights will pass and your emptiness will be filled with all the fond memories he left behind. Know that he is up in Heaven watching us all and is always there if you need somebody to listen.

You, Rob and your families will be in Janet and my thoughts and prayers. We look forward to sharing some of our fond memories at the celebration of life this summer. Love - Dave, Janet, Marina & Cade
