“ *I miss Bob so much! We had a lot of fun eating, watching crazy shows, listening to music and talking. We had so much in common. All day everything reminds me of him. So many memories-here is a cute one. We were watching boxing and were annoyed at the songs the fighters chose for walking into the ring. I asked Bob what song he would pick. He said-without hesitation and in song "Papa was a rollin' stone..." He was hilarious! I know Bob and Susie are in heaven driving around in a corvette with flowers everywhere. I LOVE YOU BOB!!! THANK YOU FOR EVERYTHING!*

“ *David M. Stamper*
They don't come any better than Bob. I was blessed to have him as a friend. He was a brother Ironworker and a great ham radio buddy who helped me break into the radio hobby. There was nothing that he wouldn't do for anybody. He's loved and will be missed. My prayers of thankfulness for knowing Bob are going up.

“ I'm sorry to hear of Bob's passing and we have missed his euphoric voice on the airwaves for too long. My heartfelt condolences to his friends & family, you are in my thoughts and prayers. Bob was a good soul & great friend who was always willing to help me out whenever the need arose. From towers to home repairs Bob was ready to help out, no questions asked. I always enjoyed chatting with him on the ham bands & he was a great mentor to the hobby, being one of my first contacts. We even had QSO's as I traveled around the country for work. I will miss him but I have solace knowing he is with Sue now smiling down on us all. God speed Bob, we shall meet again someday. SK KA9AQZ 73 de W9BQ -Chris w9 bqradio@gmail.com
