“ *It sounds silly I suppose - a hair dryer and some makeup. I met Robin in 2009 or 2010. When she entered a room, her smile and laugh made anyone cheer up. Beautiful and kind. She gave me her hair dryer because mine didn't work. She helped me with some makeup tips that took 5 years off my looks. The hair dryer lasted quite a while - and I replaced it with the same make/model as my friend has suggested. It's just a simple story of what a great soul Robin was. I always wanted the best for her - and she made me a better person.*
