“ *This one really hits home. I have had the pleasure of knowing this man and his family for nearly 40ys. They became very close to my family with his wife Wanda working with my Mom at City Hall under the Kuchta Administration were and when we all became close friends. Their 2 daughters Jennifer Borgman and Suzann Kerr were friends of mine growing up and proud to still call them friends today. Roger was a mentor and advisor to me especially when it came to politics. He was even like a second father to me and shares the same Birthday as my Father. I will miss the phone calls that would start out with "So What do you think about?" Roger, Myself and Larry Barrasas often found ourselves working together on the same campaigns. (And let me add majority of those campaigns were very successful)*

To Wanda and the family I am heart goes out to all of you, my sincere condolences, thoughts and prayers continue for you during this time. I will miss my Good Friend but I know he will continue to watch over all of us and the politicians we put into office. It is not Good Bye it is truly until we meet again !!
