“ I can not say anything different than all my family and friends have said already. I also felt the love and care in her eyes and I am so grateful to have experience this as a child and an adult. She is an example of who I want to be. Rest now Tia until we meet again. Love you.

“*Tia Romana was by far, one of the best aunts a person could ask for. Growing up, she welcomed us into her home and always made us feel like a part of her own children. She loved unconditionally and will be dearly missed. I am fortunate to have grown up with such a fantastic role model. To the friends and family, my deepest condolences. To Tio Fidel in heaven, take care of her.*”
