“ Jerry & Family:

*I will never have anything but the fondest memories of your mom, Rose.*

*She put up with so much bullshit from us, I thought it was all too good to be true. I expect she had the old fashioned attitude that read, more or less, "Boys will be boys."*

*She could not have been any more correct!*

*Chasing goats in her company car? No problem! Broken radiator after coming down the backside of a tall hill of gravel? No problem!*

*Honest to Christ, your mom was a study in patience. I swear, I believe she was truly entertained by all of our shenanigans. She used to mumble, shake her head back and forth a couple of times, then sigh, and be done with our nonsense.*

*How can one beat that????*

*I will truly miss her.*

*God bless Aunt Rosie. I am so sorry for your loss. I have so many happy memories--your mom always welcomed me with a smile, something good to eat, and words of wisdom.
